PROJECTION MAPPING

Founded by the Emmy Award-nominated team at Absolute Vision Productions, Chicago Projection Mapping is the Midwest's leader in 3D and 4D projection mapping and video mapping. Through a focus on compelling content, exceptional client service, and unmatched visual impact, Chicago Projection Mapping marks the leading edge for traditional and interactive projection mapping.

Whether for a five square foot kiosk display, or a fifteen-thousand square foot skyscraper-sized mapping show, Chicago Projection Mapping is the trusted team for any level of scale or creative vision.
